Ash Wednesday will be upon us shortly. Due to the Coronavirus Pandemic, we will not have the distribution of ashes. If you wish to make your own ashes, a simple recipe is to take dried palms, burn them in a grill, sift the ashes, and add a drop or two of olive oil to the mix until it is a paste like consistency. Then you may use them for your ashes. The Book of Common Prayer has prayers for Ash Wednesday from pages 265 - 267. Or you may use this prayer provided by Bishop Hollingsworth.

Most gracious Savior, as we prepare these ashes to be a sign of our willingness to die to this life in order to find new life in you, grant that we may likewise prepare ourselves for the Lenten journey of self-sacrifice, to the end that we might each become a sign to the world of God's undying and eternal love. Amen.

Ash Wednesday services will be live on the St. Peter's You Tube page at **noon** (12:00 p.m.) on Wednesday, February 17, 2021.

Vestry Retreat: The Vestry held its annual retreat via zoom this past weekend on February 5 & 6. We were blessed to have Bishop Hollingsworth and The Rev. Percy Grant with us Friday night for our ice breakers and Compline. Saturday morning Percy reviewed the Interim status and the search process. We also had orientation items for our new vestry members, and then addressed some action items. After lunch we had several group discussions on our ministry areas and our parish community with the discernment process during a pandemic.

Children, Youth and Family Activities for February: The Shrove Tuesday Pancake Dinner and Ash Wednesday Service are for all ages of our children and youth. We welcome all families to participate.

Maple Sugaring at Bellwether Farm: Are you interested in being a part of Bellwether Farm's 2021 Sugar Squad? You may be asking, "What is a Sugar Squad"? It's a group of volunteers interested in helping with the maple sugaring process which includes collecting maple sap in buckets, splitting firewood, and monitoring the evaporator in the sugar shack. You will experience the entire tradition of making maple syrup while enjoying the beauty of the forest and the sounds of the Vermillion River rushing to life after the cold winter. The challenging part is planning the volunteer dates which may begin any time now and run until the buds on the trees pop (old-timers say end of February to the beginning of April). Maple sap flows best when daytime temperatures rise above freezing and nighttime temperatures dip back below freezing. With this in mind, we will be able to roughly predict sap flow a week out according to the extended forecast.

If you are interested in volunteering, please email Kyle Mitchell at kmitchell@bellwetherfarm.com. You will be added to the list and receive updates on the sugaring season as well as volunteer opportunities.

Self-Guided Nature Hikes at Bellwether Farm: Self-guided nature hike guides (centered on The Way of Love) are available at Bellwether Farm for individuals or families to explore the wonder of God's creation through Bellwether's forests and along the river. Call 440.839.0088 to reserve a time to hike.

For pastoral emergencies, please contact the office at 216-226-1772 or the Rev. John Keller at 440-356-7138. Also, if you would like to put someone on the prayer list, please contact the office at office@stpeterslakewood.org.
