Dave Tabar and friends will be the guest musicians on Sunday, March 14. Several pieces performed will be original pieces composed by Dave. Here are the program notes for the pieces being played. We hope you join us for this vry special service.

Prelude: ***Variations on the hymn tune, St. Philip.*** The music for this hymn, written by W. H. Monk in 1861, is from the Hymnal 1940.

Piano: Dave Tabar; Saxophone: Will Tabar

Offertory: ***Stella's Waltz*** by Dave Tabar; Composition written in honor of my maternal grandmother, Stella M. Bassett, a former parishioner of St. Peter's Episcopal Church. The music answers Mrs. Bassett's request to waltz with her that she made at a senior center in Florida some fifty years ago.

Postlude: ***Arrival*** by Dave Tabar; This melody was composed while in-flight over the Atlantic Ocean while reading the screenplay for the short film, "Angel in a Foxhole," which honors my father-in-law, William A. Wynne. Bill Wynne is known for his 4lb. Yorkie, "Smoky" found in a New Guinea Foxhole during WWII. Smoky served troops with PTSD, and saved American lives by stringing a critical communication line beneath an active runway subject to aerial attack. I imagined what it must have been like for the 19 year old Irishman, flying over the Pacific Ocean during a wicked thunderstorm, on a reconnaissance mission with Smoky in his arms. Bill always carried his harmonica, and the melody I imagined struck me as one he might play, knowing that there was a good chance that the entire crew would not survive the flight. As it was, the other plane he was initially ordered to be on went down in the storm, with all lives lost. Bill, at 98, is presently receiving special care locally. The "Smoky and Dogs of All Wars Memorial" where Smoky lies is in the Cleveland MetroParks, not far from St. Peter's. Piano: Dave Tabar 1st Violin: Erin August

Greetings to All!

St. Peter's Generosity Team could use your help!

This year during our Seasons of Stewardship, Seasons of Love "Planting" campaign, we will be distributing small planters with basil seeds (pictured).

We would like for you to grow the seeds (it will take about 3 weeks for them to grow), harvest them, make a yummy dish with the basil you've grown and share it with someone (it could be a spouse, friend, neighbor, co-worker, parishioner etc...).

Then, by April 30th, we would appreciate you documenting your experience with either a photograph, recipe to share, or written testimonial, and emailing it to Anne Marie Foti at [fotiam@hosemaster.com](mailto:fotiam@hosemaster.com). We will take all of your insertions, compile them into a booklet and distribute them to our congregation.

It is our hope that each of us is able to touch someone else by planting a seed of joy in their life.

So... will you help us?

We miss seeing you and sharing fellowship, but always remember that you are thought of with love.

St. Peter's Generosity Team

#### How to Get Your Seeds:

Boxes with the little pots and seeds will be available at the church parking lot entrance (by the elevator).

You can stop by Monday - Friday between March 15th - 26th from 7 am - 5:30 pm. Please remember to mark off your name on the sheets provided so that we know your basil seeds were received.

For those unable to pick up a box, after the 2 week period has passed, we will deliver them to you.

# Church Directory

**UPDATE**

As we all know, this pandemic has caused many changes not only in our personal lives but in our church life.

Church Directories are usually made available in hard-copy form after the Annual Meeting.

Updated Church Directories will be mailed with quarterly statements around the first week of April. We will not email nor post online the directory due to folks not wanting their information in cyberspace.
