Saint Peter's Episcopal Church • Lakewood, Ohio

Volume 57, Number 05 • January 2022

Dear People of St. Peter's,

Happy New Year!

“..... Well, so that is that.

Now we must dismantle the tree,

Putting the decorations back

into their cardboard boxes -

Some have got broken –

and carrying them up to the attic.

The holly and the mistletoe

must be taken down and burnt,

And the children got ready for school.

There are enough

Left-overs to do, warmed-up,

for the rest of the week -

Not that we have much appetite,

having drunk such a lot,

Stayed up so late, attempted –

quite unsuccessfully -

To love all our relatives,

and in general

Grossly overestimated our powers.

Once again

As in previous years

we have seen the actual vision and failed

To do more than entertain it as an agreeable

Possibility, once again

we have sent Him away

..... for the time being, here we all are,

Back in the modern Aristotelian city

Of darning and the Eight-Fifteen,

where Euclid's geometry

And Newton's mechanics would account

for our experience,

And the kitchen table exists

because I scrub it

W. H. Auden.

from “For the Time Being” A Christmas Oratorio

Life seems rather grey and dreary when we take the decorations down. Easy to slip back into a world where we ignore the Vision, the Incarnation.

Try thinking of the Incarnation not as a one-off event, but a process that we find ourselves in.

We live between the first Advent and Incarnation and the time when Christ “will come again in glory to judge the living and the dead” as we say each week in the Nicene Creed. We are living in in-between times. So “for the time being”, how are we going to live?

It is a New Year and as Richard Rohr wrote in his book, *The Universal Christ*, “God keeps creation good and new – which means always going somewhere better.” (p. 95) “The New Testament is full of parables that talk of growth and development. Jesus' parables of the Reign of God are almost always about finding, discovering, being surprised, experiencing reversals of expectation, changing roles and status. ... about something new and good coming into being.” (p. 96) Think of the stories like the mustard seed, the smallest of seeds growing into the greatest of shrubs, the miraculous fishing stories, the feeding of the five thousand, the many healings, the many stories where the least likely were given unexpected status.

We need to expect surprises like this, realizing that growth and real change that last, take time and do not happen everywhere all at once.

This year, let us look for the signs of the good and the new, live into them, and rejoice in those!

Hoping you all have many new and wonderful experiences and the Blessings of God's Peace and Joy in 2022!

— *Sally +*

Annual Statements

Annual Statements will be mailed out during the month of January. Statements will include money donated and paid to St. Peter's.

Offering Envelopes

There are still a limited number of offering envelopes available for 2022. If you would like to order them, please contact the church by contacting the office via phone at 216-226-1772 or via email office@stpeterslakewood.org

Also, remember to **discard** all your old envelopes. Each year many envelope numbers change, making the 2021 and previous years envelopes invalid. Thank you for your assistance and cooperation.

Planned Giving Message

As we finished the season of Advent, the season of hope and anticipation, we anticipated good times for ourselves and our loved ones. Christmas has come and gone, the New Year is upon us, and we are now entering in the season of Epiphany, where all will be revealed. This is a good time to anticipate the future for yourself and your loved ones.

This is a good time to review your financial situation and contemplate making special gifts. If you are concerned about income tax obligations, consider giving appreciated property, such as stock or mutual funds to our church. It is also a good time to review your will or make your first one. Each of us should have a will regardless of how much we have.

Have you met with your attorney and do you have a current viable will? If you don't have one ... Is it because you don't think you have that much to bother with? Is it because you don't think you are old enough to worry about such things? Or is it something you have been meaning to do and you just haven't done yet.

If you have a will, is it current and does it reflect your present wishes?

Here are the circumstances that make it vital to update your will:

- **You want to name a different executor, trustee, or guardian.**
- **Your assets have significantly increased or decreased in value.**
- **You've moved to another state.**
- **Your situation or beneficiary's situation has changed.** Has your family changed because of marriage, divorce, birth, adoption, or death?
- **You want to include a gift to St. Peter's Episcopal Church and perhaps others in your will.** Consider leaving a percentage of your estate or the balance remaining after bequests are distributed to your loved ones.
- **The estate tax law has changed.**

There are various ways you can make a Legacy Gift. Since 85 % of all Planned Gifts come to through wills, make your will, update your will, and when you do so add a gift, be it a % or a dollar amount to St. Peter's Episcopal Church, Lakewood, Ohio.

St. Peter's welcomes special gifts for endowment, capital needs, and special programs now and always.

Directory Updates... LAST CHANCE!!!!

Please contact the office with any address and phone changes. We try very hard to have the correct contact information for everyone in the parish. So, if you have a change to the Parish Directory, i.e. address, phone number, mobile phone, etc... or would like to add a birth date or anniversary date to our data base, please email the office at office@stpeterslakewood.org or call 216-226-1772. Parish Directories are distributed at the Annual Meeting in January. Thank you for your assistance with this project.

Annual Meeting, 2022

We hereby issue the call for Members of Saint Peter's Church to gather on Sunday, January 23, 2022 for the Annual Meeting of the parish. The meeting will be called to order at 9:30 a.m.

We will hear reports from various officers and ministries, review the 2021 finances and 2022 budget, elect new members of the Vestry and any other business as may come before us.

The parish Nominating Committee has nominated a slate of four nominees for the open positions on the Vestry. Their names and short biographical paragraphs are herein.

~ *The Rev. Sally Goodall and
The Vestry of St. Peter's Episcopal Church*

Meet the Nominees for Vestry

The Nominating Committee is pleased to offer these names for consideration and election to the Vestry for a three-year term. At the time of the Net deadline, we are still reaching out to eligible youth for the 1-year youth representative.

ELIZABETH CROSBY

Elizabeth Crosby joined St. Peters in 1984 when she moved to Lakewood. Raised at St. Paul's Episcopal Church in Akron, she found St. Peters offered that extraordinary combination of "Program Church"

activities with a smaller, intimate congregation. She and her husband Bill were married at St. Peters in 1988. Their children, Madeleine and Will were raised here and actively participated in youth programs, served as acolytes and sang in the youth choir. Now Liz can be seen "dragging" her grandson Riley to services! He can't wait to be an acolyte!

Liz serves as Verger, lector and chalice. She volunteers in the church school and has served on Vestry. Liz is a lawyer with Buckley King, practicing in the areas of labor and employment law and workers' compensation. She enthusiastically looks forward to serving the St. Peter's community as a member of the Vestry and in any other capacity that she is called to by the Holy Spirit.

DAN LAMMERS

I was married at St. Peter's and have been a member for 42 years. My wife, Sally & I have 2 adult children, Danny & Kelly Dillon, and 2 grandchildren. I am currently the church treasurer & foundation treasurer & have held these positions for over 10 years.

I have been enjoying retirement for the past 3 years and I am excited to be a part of all the changes taking place next year.

JOHN NEUMANN

My wife Pat and I have been members of St. Peters since 1983. We were married at the church in 1984, which seems like a really long time ago (37 years ago this

year if you're keeping track which I better be!!!). But the time, as we all know, flies by. It's hard to imagine that we've been part of this parish for that long. I remember countless Christmas Eve services chasing my kids across the pew trying to keep them from disrupting the service. What we failed to realize is that everyone else's kids were doing the same thing but it seemed like ours were the only perpetrators!

I grew up in Cleveland Heights and we were active members of St. Paul's East Cleveland. That parish is no longer in existence and my folks moved to St. Paul's on the Heights. They were there until my Mom passed in 2001 and then my Dad subsequently moved west to be closer to my brother and me and our respective families. He eventually became a member of St. Peters and passed in 2019.

As previously mentioned, Pat and I were married in 1984 and have three children: Lauren, Jeff and Kevin. Pat is a Lakewood Ranger and 'Dragged me across the river'. Best decision I ever made! We now have a daughter-in-law and a son-in-law and a wonderful grandson, Weston, who is rapidly approaching one year. Lauren and Colton live in North Olmsted (Weston's parents.....lucky us. We see him weekly and are very blessed.) Kevin and Maura, married in 2021, live in Columbus. And Jeff lives at home with us.

I graduated from Miami University in 1980 with a degree in Finance and received my MBA from Cleveland State in 1990. I have worked in banking for over 30 years managing Commercial Business and their banking needs.

I've thoroughly enjoyed St. Peters and the wonderful people we've met over the years. Although we've periodically changed Pastors during my 38 years, the Parish has remained consistent and welcoming. As we embark on the task of finding a new Pastor, the consistency of the Parrish and its leadership become ever more important. I am honored that you have considered me for this position and would welcome the opportunity to serve this congregation

BETSY YINGLING

Raised in the Roman Catholic faith, I was received in the Episcopal church in my mid-20's, at the tiny St. Peter's church in Freehold, New Jersey. When John and I moved to Rocky River in 1990,

we joined St. Peter's Lakewood, and I began singing in the choir. John was confirmed here at St. Peter's, and both our kids were baptized here, attended St. Peter's Child Care, and participated in youth group. I have previously served on Vestry once (early on in Keith's tenure), and I have been on the board of St. Peter's Child Care for too many years to remember. I am a retired civil engineer, and love sailing, biking, skiing, and pretty much any outdoor activity.

St. Cecilia's Guild

St. Cecilia Guild will not meet in January. The next Guild meeting will be at the church on February 16, 2022 at noon. The format will be the same as December with a chance to eat together and catch up. Details will be in the weekly What's Happening. Guild members will also receive emails about the event. For additional information contact Lorna Jordan 440-4551603 or ljcookie1@gmail.com.

Thank you, thank you!

Sometimes we forget to say the simplest two words...thank you! To everyone who helped last month, during one of the busiest liturgical times of the year, we would like to extend our deepest thanks. From our Chancel Guild, to the readers, acolytes and crucifers, to the bell ringers, vergers, and usher, you have done a tremendous job. Not just this month, but throughout the entire crazy year. We would also like to thank all those who helped with the Christmas Eve drop-in pageant, especially those who assisted the kids get into their costumes and places. To our Choir, for making the services sound so glorious; and anyone we've forgotten, thank you for making a daunting task flow very smoothly and seemingly effortlessly! So, once again, thank you very much for your service to St. Peter's; it is greatly appreciated.

Coffee Hour & Fellowship

Now that the cooler days have arrived, we are gathering after the 10:00 service with coffee and lemonade. As long as Covid trend is low, we will gather inside in our “regular” spot outside

the chapel. Please stop by and enjoy some wonderful St. Peter’s fellowship. You are missed!

St. Peter’s Child Care Center

We hope you all had a Happy Holiday! It has certainly been a while since we have submitted something, but I wanted to let you know we are still here and have lots to celebrate as 2021 comes to a close. Here is just a glimpse of what we have accomplished:

1. We were able to successfully operate throughout the COVID-19 pandemic safely and remain fully enrolled.
2. We have continued to participate in Cuyahoga County’s Universal Prekindergarten Program (UPK) funded by Invest in Children and have remained in compliance with their policies.
3. We renewed our Ohio Healthy Program status with the State of Ohio.
4. We renewed our status as a Five Star Center through the Step Up To Quality Program through the State of Ohio.
5. We were awarded with the National Partnership School Award from the National Network of Partnership Schools.
6. One of our family engagement activities was selected for the Promising Partnership publication that is distributed throughout the country.

It has certainly been a successful year for us and we thank you for your continued support of our Center. You may be hearing about the impact that child care has on our overall economy as we all rebound from the COVID-19 pandemic. When working families do not have access to high quality childcare, they cannot work and therefore the need for quality child care is very important. You may also be hearing about the struggles and challenges child care centers are experiencing specifically with the ability to hire and maintain high quality staff. St. Peter’s Child Care Center is no different and is in need of teachers and substitutes to ensure we can maintain the high-quality program we have established within the community. If you know of anyone who is looking for a full or part time position working with young children, please email the child care office at spcc18001@att.net for more information.

From our families to yours - we wish you all well through New Year. ~ *Courtney Nerad*

January Outreach Focus: National Multiple Sclerosis Society

I'm grateful for the opportunity to share the National Multiple Sclerosis Society, where I found compassion, trusted information, and reliable guidance during a scary time.

What is MS? MS is a chronic, often disabling disease of the central nervous system. Thought to be an auto-immune disease, there is no known cause or cure. It's estimated that nearly a million people are living with MS in the US. Symptoms range from numbness, blindness, cognitive issues to paralysis. An individual's MS progression is unpredictable, sometimes symptoms "come and go" over months (relapsing-remitting) but may progress where the symptoms don't go away (primary- or secondary-progressive).

The National MS Society invests in research seeking a cure, advocates for patient's rights, facilitates education, and provides services to people with MS and their families. The Ohio Buckeye Chapter of the National MS Society provides critical programs and services to Ohioans living with MS and their families in a 64-county area.

Your contributions will enable services for people with MS, such as a cooling vest or grab-bars, and fund promising research. If you want to get involved, join my "Dessert First!" team at the *Walk MS* fundraiser, on May 7, 2022 at Cleveland State University or as a "virtual walker." My goal is to keep walking until there's a cure.

Thank you for your kindness, prayers, and generosity.

Peace, Kathy Woolner

Epiphany Service, Soup and Discussion

Join us as we celebrate Epiphany/Twelfth Night!

Epiphany, or the 12th day of Christmas, falls on January 6 and marks the official end to the festive season for many Christians. Until the 19th century, the Twelve Days of Christmas were celebrated and Epiphany was just about as big a celebration as Christmas Day.

The word 'Epiphany' comes from Greek word meaning "manifestation" or "appearing" referring to Jesus being revealed to the world.

Epiphany combines three commemorations; the visit of the Magi led by the star of Bethlehem, the Baptism of Jesus and Jesus' first recorded miracle, changing water into wine at the wedding in Cana. Christians have been celebrating Epiphany since the end of the 2nd century. In the West, Epiphany is usually associated with the visit of the Wise Men to Jesus. In the Episcopal Church we now celebrate the Baptism of Jesus on the first Sunday after Epiphany, and the miracle at Cana on the 2nd Sunday after Epiphany.

We will celebrate Epiphany this year on Thursday January 6, with a service at 5:30 pm in the chapel.

This will be the last of the Thursday evening services for the time being. Instead, beginning January 20, join us Thursdays at noon for Eucharist and Bible study on the readings of the day. Please bring a bag lunch!

ICE In Case of Emergency

An ICE storm is blanketing the U.S.! An “In Case of Emergency” campaign, that is...

Emergencies are prevalent in everyone’s lives and we hope that when we are in need, we have the tools to deal with every emergency and crisis. The importance of having emergency numbers available to first responders is tantamount to having first class treatment and care when you need it.

We all carry our mobile phones with names and numbers stored in its memory but nobody, other than ourselves, knows which of these numbers belong to our closest family or friends. If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn’t know who to call. While there may be hundreds of numbers stored in our phone, which one is the contact person in case of an emergency? When seconds matter, this information may be vital. Hence the “ICE” (In Case of Emergency) Campaign.

The concept of “ICE” is catching on quickly. It is a method of contact during emergency situations. As cell phones are carried by the majority of the population, all you need to do is store the phone number of a contact person/s who should be contacted during emergency under the name “ICE” (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn’t know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose. In an emergency situation, emergency service personnel and hospital staff would be able to quickly contact the right person by simply dialing the number you have stored as “ICE”.

Follow these hints to get the best out of ICE:

1. Make sure the person whose name and number you are giving has agreed to be your ICE partner.

2. Make sure your ICE partner has a list of people they should contact on your behalf - including your place of work.
3. Make sure your ICE person’s number is one that’s easy to contact, for example a home number could be useless in an emergency if the person works full time.
4. Make sure your ICE partner knows about any medical conditions that could affect your emergency treatment - for example allergies or current medication.
5. Make sure if you are under 18, your ICE partner is a parent or guardian authorized to make decision on your behalf - for example if you need a life or death operation.
6. Should you your preferred contact be deaf, then prefix the number with ICETEXT.
7. For more than one contact name, type ICE1, ICE2, ICE3, and so on.

Putting ICE into your phone’s memory doesn’t take much time or effort. It does give you and your loved ones peace of mind. So, as we bring in the New Year, make a resolution that will help you and your family; add ICE to all your mobile phones!

Medical Emergencies

In addition to having ICE (in case of emergency) programmed into your cell phone you should also have an emergency contact sheet posted in your home.

We would like to stress the importance of having an emergency contact sheet for every person in your home. In the unlikely event an injury or medical emergency, the information provided on this sheet will give sufficient information to first responders to more adequately treat you. The sheet should list the phone numbers of your doctor, who to call in an emergency, a list of your medications, a list of allergies, and any medical conditions which may affect your treatment. The contact sheet should be posted in a prominent location, such as your refrigerator or cupboard door.

We have included an Emergency Contact Form in this month’s NET. If you would like this form electronically, please contact the office.
