Welcome to St. Peter's! If you are attending services, please use the back glass door off the parking lot (where the elevator is located) or the front door to enter the church. At this time, the other two entrances will remain locked. If you need any assistance, please see one of the ushers or Tom Newman, St. Peter's Sexton. Masks are required in building at all times. Thank you for your cooperation.

*To be more inclusive of our Parishioners who attend the 10 am service via Livestream, we are going to dispense with showing the stained-glass window during communion in favor of showing the distribution of the sacrament of communion in the middle aisle.*

*This means if you receive communion in the center aisle your image will be shown walking to communion and receiving the sacrament. By receiving communion in the center aisle, you will be deemed to have consented to your image being shown on the Livestream.*

*If you do not want your image to be shown, you will have the option of receiving communion in the right aisle (facing the altar), which is out of the screenshot of the Livestream. Communion in the right aisle will take place after distribution of communion in the middle aisle.*

**National  
Multiple Sclerosis  
Society**

**January Outreach Focus: National Multiple Sclerosis Society:** I'm grateful for the opportunity to share the National Multiple Sclerosis Society, where I found compassion, trusted information, and reliable guidance during a scary time.

What is MS? MS is a chronic, often disabling disease of the central nervous system. Thought to be an auto-immune disease, there is no known cause or cure. It's estimated that nearly a million people are living with MS in the US. Symptoms range from numbness, blindness, cognitive issues to paralysis. An individual's MS progression is unpredictable, sometimes symptoms "come and go" over months (relapsing-remitting) but may progress where the symptoms don't go away (primary- or secondary-progressive).

The National MS Society invests in research seeking a cure, advocates for patient's rights, facilitates education, and provides services to people with MS and their families. The Ohio Buckeye Chapter of the National MS Society provides critical programs and services to Ohioans living with MS and their families in a 64-county area.

Your contributions will enable services for people with MS, such as a cooling vest or grab-bars, and fund promising research. If you want to get involved, join my "Dessert First!" team at the *Walk MS* fundraiser, on May 7, 2022 at Cleveland State University or as a "virtual walker." My goal is to keep walking until there's a cure.

Thank you for your kindness, prayers, and generosity.

Peace, Kathy Woolner

# Children & Youth Ministry

For the young people ....

Last week, I suggested "The Good Book Club" as a good "in your own time" way to read the Bible and become more familiar with the Old Testament stories from Exodus. Now that is something for adults, but what about children?

Until people feel comfortable coming back into the church, Sunday School may not be an option, so here is something that those of you with little children might appreciate. Godly Play is a very sound Christian Education program for children. Of course it would be better to see this lesson on the Exodus in person, but this might work quite well on video. I think you will find that Godly Play is very different from the usual Sunday school activities, but in my experience, children find their lessons very engaging. Exodus Godly Play - You Tube:

St. Peter's has in the past participated in a Sleep Out for the Homeless. While we would not be having it this weekend (the traditional weekend for the sleep out), we would like to participate again sometime year. We are tentatively thinking of Saturday, March 26 to Sunday, March 27 as a Lenten discipline for our youth. With that in mind, as we go forward with planning, we wonder who might be interested in helping to plan and assist with this event and who would like to sleep out? Please let me know your thoughts and questions.

Finally, for those in their teens, I would like to offer a Confirmation class. The format and timing of this is still up in the air and dependent on who is interested.

If you have questions on any of the above, please contact me.

Blessings

## BROWN BAG

*Lunch  
Series*

# THE GOOD BOOK CLUB

## The Book of Exodus – Epiphany

The Good Book Club is an invitation to all Episcopalians to join in reading Exodus during Epiphany 2022 and dive into the first twenty chapters of Exodus from Epiphany, January 6, to Shrove Tuesday, March 1.

The second book of the Bible, Exodus recounts the journey of the Israelites from slavery to freedom. We hear the great stories of Moses, from his discovery by Pharaoh's daughter on the bank of the river to the burning bush to his presentation of the Ten Commandments. Along the way, we encounter God's covenant and explore the grand theme of redemption. Join me and download the reading guide <https://www.goodbookclub.org/readings/> and read a section every day through the Epiphany season. Sign up for weekly emails which give a lot of insight into the readings. This first week's email is about fear, "good fear" and "bad fear" and "the Great Search and Rescue Mission".

There is no charge for participating in the daily readings and receiving the Good Book Club weekly emails. <https://www.goodbookclub.org/> Let me know that you are doing this and we can support each other in our reading!

Blessings
