Everything you need for worship can be accessed at

Welcome to St. Peter's! If you are attending services, please use the back glass door off the parking lot (where the elevator is located) or the front door to enter the church. At this time, the other two entrances will remain locked. If you need any assistance, please see one of the ushers or Tom Newman, St. Peter's Sexton. Masks are required in building at all times. Thank you for your cooperation.

To be more inclusive of our Parishioners who attend the 10 am service via Livestream, we are going to dispense with showing the stained-glass window during communion in favor of showing the distribution of the sacrament of communion in the middle aisle.

This means if you receive communion in the center aisle your image will be shown walking to communion and receiving the sacrament. By receiving communion in the center aisle, you will be deemed to have consented to your image being shown on the Livestream.

If you do not want your image to be shown, you will have the option of receiving communion in the right aisle (facing the altar), which is out of the screenshot of the Livestream. Communion in the right aisle will take place after distribution of communion in the middle aisle.

Dear People of St. Peter's,

Once again, the Winter Convocation, that wonderful gathering time of getting to know each other, worshipping together and participating in a variety of workshops to inspire us, is being held on line due to COVID. That is a big disappointment, but let's do what we can to show that St. Peter's can join in spirit even if we cannot be there in person.

The only commitment is for two Zoom meetings, one on February 7 and the other on February 27 at 6.30 p.m. If you can only make one of those dates, that is also OK, but you do need to sign up, because then you will receive a question every day. I have no idea what kind of questions these will be, but Rowan Williams, the former Archbishop of Canterbury is quoted. He said, "the purpose of the Church is to form people into the kinds of people who can receive the gifts that God wants to give." Intriguing, and I assume, the questions will help us do just that.

Please join with me as I Zoom on February 7, and we shall see what answers we are led to.

Blessings
Sally+

Winter Convocation 2022

Each workshop will last no longer that one hour and fifteen minutes

February 7-27, 2022

Join us for two Zoom Meetings (Monday, February 7 from 6:30 to 7:45 p.m. and Sunday, February 27 from 6:30 to 7:45 p.m.) Along with Daily Questions arriving every day of the journey.

Please register at the Diocese of Ohio, <http://www.dohio.org>, for the **2022 Winter**

Convocation: The 20 Day Evangelism Challenge!

There is no charge, but pre-registration is required. Please try to register each participant separately to help us prepare and to make sure everyone is able to receive the daily Questions. Each workshop will last no longer than one hour and fifteen minutes.

Our Two Meetings:

Monday, February 7 at 6:30 p.m. – Our opening presentation and conversation with Trisha Lyons. We will look at how our church understands evangelism in the 21st century and how we can each practice it in our daily lives.

Sunday, February 27 at 6:30 p.m. – Our concluding conversation with Trisha Lyons. We will reflect on what we have learned and enjoyed about God, ourselves, and our neighbors through these twenty days.

The In-Between Time:

There will be one question shared each day (by email and on social media) rooted in scripture and our sacramental tradition. This daily question is meant to stir our curiosity for the work of the Holy Spirit in our lives and ministries and to form our imaginations for brave, deep, hopeful, and loving relationships with ourselves, our neighbors, and God.

Let's do this together!

National
Multiple Sclerosis
Society

January Outreach Focus: National Multiple Sclerosis Society: I'm grateful for the opportunity to share the National Multiple Sclerosis Society, where I found compassion, trusted information, and reliable guidance during a scary time.

What is MS? MS is a chronic, often disabling disease of the central nervous system. Thought to be an auto-immune disease, there is no known cause or cure. It's estimated that nearly a million people are living with MS in the US. Symptoms range from numbness, blindness, cognitive issues to paralysis. An individual's MS progression is unpredictable, sometimes symptoms "come and go" over months (relapsing-remitting) but may progress where the symptoms don't go away (primary- or secondary-progressive).

The National MS Society invests in research seeking a cure, advocates for patient's rights, facilitates education, and provides services to people with MS and their families. The Ohio Buckeye Chapter of the National MS Society provides critical programs and services to Ohioans living with MS and their families in a 64-county area.

Your contributions will enable services for people with MS, such as a cooling vest or grab-bars, and fund promising research. If you want to get involved, join my "Dessert First!" team at the *Walk MS* fundraiser, on May 7, 2022 at Cleveland State University or as a "virtual walker." My goal is to keep walking until there's a cure.

Thank you for your kindness, prayers, and generosity. Peace, Kathy Woolner

Copies of the 2022 Annual Report are available on the table at the back of the church or on the table when you walk into the lobby from the parking lot.

In addition to the Annual Report, the 2022

Membership Directory is also available for pick up. There is one copy per family of each document. Feel free to stop in and pick up your copy.

The Bishop's Search... The listening process will provide an important opportunity for every member of the diocese to share in the Search Committee's work. We invite all lay and clergy members of the Diocese of Ohio to gather as the body of Christ, bonded by our Baptismal Covenant, and eager to develop further our prayer for the next Bishop of Ohio.

Starting in February, sessions will be offered virtually and in person throughout the Diocese. Participants will have an opportunity to respond to open-ended questions provided in advance for prayerful consideration. These questions will solicit your ideas and thoughts to inform the Search Committee's review of applications and interview of candidates. All comments will be treated with care and consideration.

- What would you like to give assent to? What are you glad is included?
- What would you also like to see, in addition to the profile, asked of the candidate?

Please register for the listening session that you would like to attend by going to <http://dohio.org>. Please register **no later than 24 hours** before the session you are attending.
