Welcome to St. Peter's! If you are attending services, please use the back glass door off the parking lot (where the elevator is located) or the front door to enter the church. At this time, the other two entrances will remain locked. If you need any assistance, please see one of the ushers or Tom Newman, St. Peter's Sexton. Masks are required for all unvaccinated persons in building at all times. Thank you for your cooperation.

To be more inclusive of our Parishioners who attend the 10 am service via Livestream, we are going to dispense with showing the stained-glass window during communion in favor of showing the distribution of the sacrament of communion in the middle aisle.

This means if you receive communion in the center aisle your image will be shown walking to communion and receiving the sacrament. By receiving communion in the center aisle, you will be deemed to have consented to your image being shown on the Livestream.

If you do not want your image to be shown, you will have the option of receiving communion in the right aisle (facing the altar), which is out of the screenshot of the Livestream. Communion in the right aisle will take place after distribution of communion in the middle aisle.

On Monday, February 28, 2022 the CDC issued new masking guidelines, recommending indoor masking “... only in communities at a high-risk level for COVID-19 based on hospitalizations, local hospital capacity and new infections.” For the past several weeks, Cuyahoga County has the lowest number of hospitalizations and new infections in Ohio. It is also boasts the highest percentage of vaccinated individuals.

For this reason, beginning SUNDAY, MARCH 13, St. Peters will be relaxing its masking mandate and **masks will not be required for anyone except unvaccinated individuals**. Of course, members are still free to wear masks and participate (or not) in elements of the service like passing of the peace, etc. And of course, anyone with symptoms

consistent with COVID 19 should not attend services until they have received a negative COVID test.

We have reserved the section on either side of the Eucharistic table for members who are at higher risk and wish to remain separated and masked. We ask that personal space be respected for those who sit in those section. Ushers can direct you to those areas.

As we roll back some of our precautions, we ask for continued prayers and patience, as we try to find a balance that works for as many as possible. We will not always share the same perspectives. However, we can discuss those differences respectfully as followers of Christ.

Lenten Retreat open to all

I invite you to take **“A Few Steps into the Interior Castle of Teresa of Avila”**.

Teresa of Avila was born in 1515 in Spain. She became a Carmelite nun, reformed the Carmelite order, wrote many books and was named a Doctor of the Church, a title given to outstanding theological teachers. One of the books she wrote is called, “The Interior Castle” which tells the story of the soul's progression in prayer and relationship with God. You will be given the opportunity to explore some of her writing, and reflect on your own life and spiritual journey.

Please let me or the office know that you would like to attend by Monday March 14 at the latest, so we know how many to prepare lunch for.

If it is your desire during the season of Lent to make your confession through the Rite of Reconciliation (BCP p.447) or if you would like to know more about this, please let me know and we can set a time to meet.

Blessed Lent

Sally+

Lent is a time to consider what we value most in life, which relationships with others sustain us and what feeds our spiritual life. Are we able to find balance in our lives? How can we build a framework to support the flourishing of our whole being? Beginning March 13 and until April 3, we will gather in the Oratory, between the Sunday services, to consider how to live intentionally by creating a Personal Rule of Life. Just bring yourself!

Baptism

Easter is a wonderful time to begin our lives as Christians! For anyone considering baptism, whether for an infant, a child or as an adult, remember that the day when we celebrate the great mystery of Jesus' Resurrection is one of the principal days in the Church calendar for Holy Baptism. If you are interested, please contact me to discuss this.

"The baptized community lives in that mystery, drawn out of chaos, breathing in the wind of the Spirit and hearing from God the words that he speaks to his only Son: 'You can call me Father'. (Being Christian, p.18 by Rowan Williams)
