"Helping Children Look Themselves
and Live Their Lives!"

June Outreach Focus of the Month: Wigs for Kids:

The various causes of hair loss in children don't result in just physical suffering. The change in their appearance can drastically undermine their self-image and sabotage their self-esteem. To help heal the pain of these struggles, Certified Cosmetic Therapist Jeffrey Paul founded Wigs For Kids, a non-profit hair donation organization that has been serving children

suffering from hair loss since 1981.

Wigs For Kids is a cooperative effort among Certified Service Providers throughout North America who share a common goal. "Children shouldn't have to worry about how they look, especially when they're in the middle of a health crisis," says Jeffrey Paul. "We want to give these kids the opportunity to feel good about themselves again."

The cost of the hair replacement systems Wigs For Kids provides is approximately \$1,800. "These are custom-made hair replacements," says Jeffrey Paul. "Each prosthesis is hand-tied and is made completely from human hair. We make sure they look just like a child's own hair."

"They won't come off on the baseball field or in the playground," he adds. "Kids can count on them. And because kids look just the way they did before, they feel better about themselves. They look in the mirror and their eyes light up. To see that light in their eyes – that's priceless."

Wigs For Kids Donation Information

Wigs For Kids depends on monetary and hair donations from generous individuals. The process for creating wigs made from real hair is costly and time-consuming. Wigs For Kids never charges the families that are receiving these custom hair replacement systems. Wigs for Kids is very grateful for the support of St. Peter's Episcopal Church.

SHOW YOUR SPIRIT

St. Peters has an opportunity to SHINE in Lakewood! For the first time in 2 years Lakewood will host its annual 4th of July Parade and St. Peters is invited to march! The event will take place on MONDAY JULY 4 at 10:00 a.m. in Lakewood. Plan to attend from 9:30 until 12:15 or so.

We will need help in preparing for the event -- old vehicles or convertibles, wagons or trucks -- but mostly people and especially kids! We need help preparing for the parade and people to march. Sign-up sheets will be at the back of the church or email Liz Crosby (li2ard@aol.com) or office@stpeterslakewood.org if you CAN be part of this exciting morning!

Parish-wide Summer Fun

Join fellow parishioners in celebrating the beginning of summer! We're meeting at Truck Park in Lakewood for lunch following this Sunday's 10:00 service. If you're not familiar, Truck Park has both indoor and outdoor seating and 2 to 3 various food trucks from which to order. We're looking forward to getting together and catching up! The Truck Park is located at 16900 Detroit Ave., Lakewood. See you there!

Also, we're hoping to be able to work out the details of the June 25th volunteer and picnic ASAP. It's looking like we'll be doing a beach cleanup at Huntington from 9-11, if all goes as planned. Thank you! ~ Christine and Kristen

COVID Protocols and Masking: In light of recommendations from Health Department, we are recommending that everyone wear a mask. While it is still optional for fully vaccinated people, it is highly recommended. Unvaccinated people are required to wear a mask at all times in the building.

Also, please remember, for the safety of all parishioners, if you don't feel well, please stay home! And, if someone in your household is under COVID quarantine, please do not attend any church events or the service until the quarantine is lifted. Thank you very much for your cooperation and understanding.
