# Assisting Opportunities IN WORSHIP

As we head into the last quarter of the year, it is time for the next Worship Rota to be completed. If you have any desire to assist during either the 8:00 or 10:00 worship service, please contact the office at 216-226-1772 or via email at [office@stpeterslakewood.org](mailto:office@stpeterslakewood.org). We have opportunities for lectors, acolytes, chalciers, bell ringers, and ushers. Don't worry! Training will be provided. The rota will be completed the week of August 15; so please, don't hesitate!

If you are already on the Worship Rota, you do NOT need to contact the office unless you do not wish to continue to serve or if you would like to serve in another or different capacity. Thank you very much for your service and willingness to assist.

## July Outreach Focus of the Month: May Dugan Center

**May Dugan**  
Center Est. 1969

The founders laid the groundwork in 1969 for the May Dugan Center (MDC) now – a respected multi-service center serving residents of Cleveland's Near West neighborhoods and the Greater Cleveland community. From the

beginning, they were committed to providing wrap-around services to people who faced barriers to healthcare, food, and employment, and for nearly 53 years, the Center has remained constant to its original intent.

The six core programs of the May Dugan Center are in action every day: helping educate people for school and work, preventing infant mortality, assisting victims of crime, keeping seniors living independently, feeding the hungry, and comforting those in need of mental health and addiction services. By strengthening these vital self-sustaining opportunities, our clients are empowered to manage their lives, health, and well-being.

The Center's programming has been recognized for its innovative nature as well as receiving a 4-star rating from Charity Navigator. This high rating demonstrates that May Dugan exceeds industry standards and outperforms most charities in this field, showing strong financial health and commitment to accountability and transparency.

Some key utilization measures from 2021 and 2022:

- One Million meals provided since March 2020
- Largest food pantry in the 6-county area
- Over 4,000 hours of learning through virtual classes and individualized tutoring
- 3,686 hours (1,229 sessions) of substance abuse treatment provided
