Stewardship Moment by The Rev. Sally Goodall

### All We Need Is You

This week, the stewardship campaign at St. Peter's draws to a close. If we think back to this time last year we can see that there have been some challenges, yet many new experiences and much to hope for in 2023.

Thank you to all who have already pledged your support for St. Peter's and to all on the Generosity Team for your words of inspiration these past few weeks in What's Happening. What jumped out at me was the wideness of the perspective on the life of St. Peter's.

Each member of the team shared a little of what St. Peter's means to them, and through that we have a glimpse of the special gifts each brings to the life of the congregation.

Of course, life does not stop with the Generosity Team. **"All We need Is You"** means that each member of the congregation has unique gifts to share and is really important to the communal life of the parish. Together, as the people of St. Peter's you are strong and can do amazing things to extend God's love outside the walls of this beautiful church.

I love these words that close the Daily Office:

***Glory to God whose power, working in us, can do infinitely more than we can ask or imagine: Glory to him from generation to generation in the Church, and in Christ Jesus for ever and ever.  
Amen.***

Faithfully  
Sally+

Remember the Bishop's Visitation on November 13. The Bishop will Confirm several people from St. Peter's as well as a few from St. Matthew's, Brecksville at the 10 o'clock service, and "Receive" or "Reaffirm" some St. Peter's people. Please join us for this great celebration and public affirmation of faith. There will be an 8 o'clock service that day, but please come at 10 o'clock if you are able. Any questions? Call, text or email me.

## November Outreach Focus of the Month:

### *DRINK LOCAL DRINK TAP ("DLDT")*

# DRINK LOCAL DRINK TAP™

## DLDT Drives Water Equity

*Creating a world where everyone has access to safe, clean, sustainable water and sanitation.*

Living on a great lake, we are prone to take clean water for granted. We turn on the faucet and immediately satisfy our most basic human needs: we quench our thirst, clean our bodies and belongings and sustain our gardens.

Clean water is a gift from our Creator that is, at its essence, LIFE. Without it, there is no LIFE. Aside from the air we breathe, it is our most precious resource and despite our local experiences, it is not readily available to world, and we are all at risk of losing this life sustaining force.

DLDT is a team of world water warriors. As an international non-profit organization (based here in Cleveland) focused on solving water equity and quality issues, it realizes its mission through education, advocacy and creating affordable, safe clean water sources and sanitation facilities.

**EDUCATION: THE WAVEMAKER PROGRAM:** The Wavemaker Program has connected over 18,500 students since 2010 in Northeast Ohio and is expanding state and nationwide. It provides education to 4<sup>th</sup> through 8<sup>th</sup> grade children on water stewardship and water equity issues. The Wavemaker Program can be found in the Cleveland Public Schools and many other schools throughout Northeast Ohio and beyond. Because of targeted foundation, family and corporate donations, the Wavemaker Program for 2022 will be free for public schools.

**EQUITY:** In Greater Cleveland, DLDT advocates for clean, safe, affordable drinking water and sanitation services.

- From Spring through Fall, DLDT volunteers provide clean-ups of area beaches, including Edgewater Beach.
- DLDT is a founding member of the Greater Cleveland Water Equity Partners (GCWEP), which includes utilities, non-profits, community advocates, and organizations working together to advance water equity. It is also "at the table" at international water equity organizations and participates annually in World Water Day.

In Uganda, the other Great Lakes Region of the world, the DLDT team builds and monitors sustainable water, hygiene and sanitation systems in rural Uganda including wells and sanitation stations mostly at rural schools.

On Saturday, November 5<sup>th</sup> from 8:30 am to noon, the Buildings and Grounds Ministry will host an indoor/outdoor church work day. There are many things around the church that need fixing and sprucing up. Please mark your calendars, and plan to attend. Many hands are needed to get the job done, so join us for fun, fellowship and a little “hands-on business”.

The Outreach team is looking to fill the 2023 calendar. If you are part of an organization or charity which might benefit as one of our monthly Outreach Focus groups, please contact Jan McDonough, Anne Marie Foti, or Martha Taylor.
