## A[nother] New Year

Beginnings and endings. Each carries with it enormous opportunity ... for hope, for reflection, for renewal, for growth. Heraclitus said, "the only constant in life, is change." "Change is the law of life," said John F. Kennedy. "And those who look only to the past or present are certain to miss the future."

For most of us however, change represents uncertainty and generates anxiety and fear. In response to new and unfamiliar settings, most of us cling tenaciously to what we know, because our sense is that the familiar is safe. We exercise a death grip on the way things have always been done, as though any disruption in the status quo will somehow challenge our own relevance and hurl us into a maelstrom of chaos. Nowhere is this more evident than the angst associated with change in our worship life.

But change *IS* life. It is uncomfortable. It is like putting on clothes that don't fit. It is that unsettled sensation of not being sure if you're in the right room at the right time. And most of us avoid it at all costs.

Change is God at work within us – coaxing our souls to a new and deeper understanding of Him and of his Creation. It is how God works on us and in us to evolve into union with Him.

So St. Peter's, it is time to celebrate change! As we begin this new year with a new interim priest and, God willing, a new permanent priest, we will experience change. We don't know what that change will be, whether it will involve something as basic as our liturgy, or our outreach, our shared time and space, new actors or new scripts. Change is coming to St. Peter's.

This is a time for us individually and as a parish to surrender to the transformational power that looms in our future. We may feel awkward. We may stumble and trip over each other in the process, but it is going to happen and we have the amazing

opportunity to do this *together*, to stretch our souls upward and outward and embrace the great unknown!

As we venture into 2023, get ready to be a teenager again. Get ready to feel uncomfortable but recognize that discomfort as the Holy Spirit preparing us for something magnificent. Happy New Year! ~ *Liz Crosby*, Senior Warden

## Welcome Brian Wilbert

As most of you know, on December 18 we bade farewell to Interim Rector Sally Goodall. Many thanks to all of you who contributed your time, talent and treasures towards her send off and especially to Amanda Chambers who worked her magic with the reception.

And as the adage goes, God does not close a door without opening a window – enter Reverend Dr. Brian Wilbert! Father Brian received his Bachelor of Arts in music from Kenyon College. Thereafter, he received his Master of Divinity from Bexley Hall Seminary, Rochester N.Y. In 2002, Father Brian received his Doctor of Ministry from The Seabury Western Theological Seminary. He served as Rector of Grace Church, Ravenna from 1988-1996 and then most recently at Christ Church Oberlin, from 1996 through August 2019. Since then, Father Brian served as Interim Rector at St. Paul's Cleveland Hts. and most recently at Grace Church, Sandusky.

Aside from these impressive credentials, Father Brian has served on the bishop's staff as Archivist of the Diocese since January 2013 and also served as adjunct professor of religion at Lorain County Community College where he lectured on the world's seven most prevalent belief systems. He is also frequently spotted wandering around Bellwether Farms, camera in hand!

Our parish journey continues and this leg of it promises to be engaging and thought provoking. Please join me on January 8 to welcome Reverend Dr. Brian Wilbert to St. Peter's!

## January Outreach Focus: Beating Parkinsons

Rock It Out is an affiliate of Rock Steady Boxing, which is a national program of physical exercise for individuals who are living with Parkinson's disease. Though it may seem surprising, this non-contact boxing inspired fitness routine is dramatically improving the ability of people with Parkinson's to live independent lives. Rock Steady Boxing was originally founded in Indianapolis in 2006 by former county prosecutor Scott Newman, who was diagnosed with Parkinson's at age 40. Classes are taught by Certified Personal Trainers and include exercises such as calisthenics, weight training, and non-contact boxing that attacks Parkinson's at its vulnerable neurological points. The Rock it Out affiliate has been in Lakewood for almost ten years, and in addition to the Rock Steady boxing program also offers yoga and monthly seminars about topics related to Parkinson's disease. ## Homeless Sleepout...

After a Covid hiatus, St. Peter's Youth will be participating in the Annual Homeless Awareness Sleep-out!

The "One Night Without a Home" Sleep Out is a common part of many Hunger and Homelessness Awareness Weeks. This event is an opportunity for participants to spend a night outside to discuss, think, and learn about homelessness.

This year, the Sleep-out will take place on Saturday, **FEBRUARY 18<sup>th</sup>** and continue throughout the night. It will conclude with the 10:00 a.m. service on Sunday morning. We are in need of adults to take shifts and watch over us through the night. If you are available, please contact Leah.

## Chancel Guild

The Chancel Guild is a traditional ministry working quietly behind the scenes. Amongst its duties, in the course of preparing the church for worship each week, the Guild ensures that the wine, water, and wafers are ready for the Minister to serve; places candles on the altar; arranges flowers; orders supplies; launders the fair linen; and cares for Communion vessels and altar frontals. The Guild also prepares for religious holidays

Anyone interested in joining Chancel Guild or finding out more about this ministry contact Cathe Step at 216-221-6081.

## Annual Statements

Annual Statements will be mailed out during the month of January. Statements will include money donated and paid to St. Peter's.

## Offering Envelopes

There are still a limited number of offering envelopes available for 2023. If you would like to order them, please contact the church by contacting the office via phone at 216-226-1772 or via email [office@stpeterslakewood.org](mailto:office@stpeterslakewood.org)

Also, remember to **discard** all your old envelopes. Each year many envelope numbers change, making the 2022 and previous years envelopes invalid. Thank you for your assistance and cooperation.

## Planned Giving Message

As we finished the season of Advent, the season of hope and anticipation, we anticipated good times for ourselves and our loved ones. Christmas has come and gone, the New Year is upon us, and we are now entering in the season of Epiphany, where all will be revealed. This is a good time to anticipate the future for yourself and your loved ones.

This is a good time to review your financial situation and contemplate making special gifts. If you are concerned about income tax obligations, consider giving appreciated property, such as stock or mutual funds to our church. It is also a good time to review your will or make your first one. Each of us should have a will regardless of how much we have.

***Have you met with your attorney and do you have a current viable will?*** If you don't have one ... Is it because you don't think you have that much to bother with? Is it because you don't think you are old enough to worry about such things? Or is it something you have been meaning to do and you just haven't done yet.

***If you have a will, is it current and does it reflect your present wishes?***

Here are the circumstances that make it vital to update your will:

- **You want to name a different executor, trustee, or guardian.**
- **Your assets have significantly increased or decreased in value.**
- **You've moved to another state.**
- **Your situation or beneficiary's situation has changed.** Has your family changed because of marriage, divorce, birth, adoption, or death?
- **You want to include a gift to St. Peter's Episcopal Church and perhaps others in your will.** Consider leaving a percentage of your estate or the balance remaining after bequests are distributed to your loved ones.
- **The estate tax law has changed.**

There are various ways you can make a Legacy Gift. Since 85 % of all Planned Gifts come to through wills, make your will, update your will, and when you do so add a gift, be it a % or a dollar amount to St. Peter's Episcopal Church, Lakewood, Ohio.

St. Peter's welcomes special gifts for endowment, capital needs, and special programs now and always.

## Directory Updates... LAST CHANCE!!!!

Please contact the office with any address and phone changes. We try very hard to have the correct contact information for everyone in the parish. So, if you have a change to the Parish Directory, i.e. address, phone number, mobile phone, etc... or would like to add a birth date or anniversary date to our data base, please email the office at [office@stpeterslakewood.org](mailto:office@stpeterslakewood.org) or call 216-226-1772. Parish Directories are distributed at the Annual Meeting in January. Thank you for your assistance with this project.

My Childhood and early adult life were in Indianapolis. My wife Debbie and I have been married 38 years and have two adult daughters and three

granddaughters!

My career moved us from Indiana to Texas and upon retirement in 2019 we moved to Avon to be near our older daughter & family. We enjoy our grandkids and activities in Ohio. I have a quiet faith and appreciate the Episcopal liturgy, music, and message. I would be honored to serve and work with others on St. Peter's Vestry.

I was a member of St. Paul's Episcopal church in Indianapolis and participated as a child in the choir, as an acolyte, and EYC. In Texas our family

attended a Lutheran ELCA church and later for a longer period, Christ Church – an Episcopal/Anglican denomination in Plano, TX. I have been a member of St. Peter's since moving here in summer 2019.

For most of my work career I was the Country Manager for a Danish manufacturer selling agricultural equipment in North America.

## DAVID (“DAVE”) TABAR

Dave has been a life-long Episcopalian ever since his parents attended St. Peter's decades ago. His journey has included St. Peter's, Church of the Advent, and Christ Church in Huron. Beginning in 2007 Dave

worked with the Building and Grounds Committee to guide St. Peter's through a critical building engineering, environmental and ADA study which led to major building upgrades (including AC!), which ultimately led to the demolition of the 1950's-60's era offices and classrooms for new facilities. In 2018 he and his son helped deliver musicians for St. Peter's first "Jazz Mass" which received great parish support.

Dave and his wife Donna have four married children, all of whom live locally, and recently celebrated the birth a December grandchild. Dave is also caregiver for his father, 96, a WWII U.S. Army Veteran, who lives independently nearby.

Professionally, Dave worked as an industrial safety professional, first with the State of Ohio, and later as a safety and loss control director with a local industrial firm where he traveled extensively. During those years he also led major national and international fire research projects. He is a graduate of B-W (MBA) and volunteers as a Special Expert on the National Fire Protection Association's (NFPA) *Standard 140 on Motion Picture and Television Production*.

Dave is currently a music composer and producer, working both locally and in the UK. In 2018 he co-wrote and co-produced the short WWII film, *Angel in a Foxhole*. Recent musical compositions include *Air For Trumpet*, *Stella's Waltz*, *Anna of Mariupol-Prelude*, *Dreamer*, and *Be With Me Jesus* feat. local jazz vocalist Evelyn Wright. He is presently scoring a rock opera.

Dave looks forward to providing positivity and support to the new rector, the vestry, and all members of St. Peter's, through times ahead that will be both exciting and challenging.

## Farewell...

Dear People of St Peter's,

Just a quick note to let you know how grateful I am for our time together and our journey from the depths of the pandemic to this time when communities are gradually getting back to being Church together. You have all made me feel very welcome. We weathered a few challenges but I know the Holy Spirit was with us through everything.

I thank you for all your prayers and good wishes.

I know you are in good hands as the Rev. Brian Wilbert takes over as Interim. I continue to pray for you all during this time of transition, with the hope that sometime soon, St. Peter's will be blessed with a new rector to journey on with you.

In Christ's love, *Sally +*

## Thank you, thank you!

Sometimes we forget to say the simplest two words...thank you! To everyone who helped last month, during one of the busiest liturgical times of the year, we would like to extend our deepest thanks. From our Chancel Guild, to the readers, acolytes and crucifers, to the bell ringers, vergers, and usher, you have done a tremendous job. Not just this month, but throughout the entire crazy year. We would also like to thank all those who helped with the Christmas Eve drop-in pageant, especially those who assisted the kids get into their costumes and places. To our Choir, for making the services sound so glorious; and anyone we've forgotten, thank you for making a daunting task flow very smoothly and seemingly effortlessly! So, once again, thank you very much for your service to St. Peter's; it is greatly appreciated.

## Altar Flowers

Worship in our church is an experience of beauty. Every element of the service—the architecture, the altar hangings, the music, the people in the pews, and more—draws us closer to God by inviting us to bring our very best and laying it upon the altar. The flowers that bedeck that altar are an important and beautiful symbol of what we offer to God in our worship.

Altar Flowers have an added dimension to the worship... not only do they create beauty, they are then given to shut-ins, folks celebrating momentous occasions and special events, or just someone who needs a “pick-me-up!” Every member of the parish is invited to contribute to the beauty of our worship by giving the altar flowers on a particular Sunday to the glory of God and in memory, thanksgiving, or celebration for people or events that are important.

As of this printing, there are no Sundays “taken” for altar flowers. All Sundays are available (except during Lent.) If you would like to make a gift of altar flowers, you may do so by contacting the office at 216-226-1772. Seasonal flower arrangements are \$60. Call or stop by the office to reserve a date. Thank you in advance for your generosity and for contributing to the beauty of our worship.

## Name Tags

Each Sunday, you are invited to write out your name on a name tag and wear it so everyone will know who you are... Permanent name badges are available for ordering!

Please call the office if you would like to place an order for a badge (red background with white lettering). The badges are available with magnetic backs or pins. (Please remember: anyone with a pacemaker should not order a magnetic back badge.) The cost of the badge is \$8.50. Call 216-226-1772 or e-mail [office@stpeterslakewood.org](mailto:office@stpeterslakewood.org) the office with questions or to place an order.

## Coffee Hour & Fellowship

Now that the cooler days have arrived, we are gathering after the 10:00 service with coffee and lemonade. As long as Covid trend is low, we will gather inside in our “regular” spot outside

the chapel. Please stop by and enjoy some wonderful St. Peter’s fellowship. You are missed!  
~ Amanda Chambers

## Children, Youth & Families visit Bellwether Farms

Thank you so much to all the parents, families, and kiddos that were able to attend the lunch and Bellwether trip this December. It warms my heart to have heard to beautiful sounds of conversation amongst the parents and getting to see the children enjoying themselves, feeling comfortable being in the church and chapel.

Here are some amazing photos, taken by myself and the parents while at Bellwether! I hope to have more exciting outings like this in the future, so keep an eye out for any updates in the NET or What's Happening!

## **ICE In Case of Emergency**

An ICE storm is blanketing the U.S.! An “In Case of Emergency” campaign, that is...

Emergencies are prevalent in everyone’s lives and we hope that when we are in need, we have the tools to deal with every emergency and crisis. The importance of having emergency numbers available to first responders is tantamount to having first class treatment and care when you need it.

We all carry our mobile phones with names and numbers stored in its memory but nobody, other than ourselves, knows which of these numbers belong to our closest family or friends. If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn’t know who to call. While there may be hundreds of numbers stored in our phone, which one is the contact person in case of an emergency? When seconds matter, this information may be vital. Hence the “ICE” (In Case of Emergency) Campaign.

The concept of “ICE” is catching on quickly. It is a method of contact during emergency situations. As cell phones are carried by the majority of the population, all you need to do is store the phone number of a contact person/s who should be contacted during emergency under the name “ICE” (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn’t know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose. In an emergency situation, emergency service personnel and hospital staff would be able to quickly contact the right person by simply dialing the number you have stored as “ICE”.

Follow these hints to get the best out of ICE:

1. Make sure the person whose name and number you are giving has agreed to be your ICE partner.

2. Make sure your ICE partner has a list of people they should contact on your behalf - including your place of work.
3. Make sure your ICE person’s number is one that’s easy to contact, for example a home number could be useless in an emergency if the person works full time.
4. Make sure your ICE partner knows about any medical conditions that could affect your emergency treatment - for example allergies or current medication.
5. Make sure if you are under 18, your ICE partner is a parent or guardian authorized to make decision on your behalf - for example if you need a life or death operation.
6. Should you your preferred contact be deaf, then prefix the number with ICETEXT.
7. For more than one contact name, type ICE1, ICE2, ICE3, and so on.

Putting ICE into your phone’s memory doesn’t take much time or effort. It does give you and your loved ones peace of mind. So, as we bring in the New Year, make a resolution that will help you and your family; add ICE to all your mobile phones!

## **Medical Emergencies**

In addition to having ICE (in case of emergency) programmed into your cell phone you should also have an emergency contact sheet posted in your home.

We would like to stress the importance of having an emergency contact sheet for every person in your home. In the unlikely event an injury or medical emergency, the information provided on this sheet will give sufficient information to first responders to more adequately treat you. The sheet should list the phone numbers of your doctor, who to call in an emergency, a list of your medications, a list of allergies, and any medical conditions which may affect your treatment. The contact sheet should be posted in a prominent location, such as your refrigerator or cupboard door.

We have included an Emergency Contact Form in this month’s NET. If you would like this form electronically, please contact the office.
