Welcome to St. Peter's! If you are attending services, please use the back glass door off the parking lot (where the elevator is located) or the front door to enter the church. If you need any assistance, please see one of the ushers or Tom Newman, St. Peter's Sexton. Masks are required for all unvaccinated persons in building at all times. Thank you for your cooperation.

Parents, if you wish to bring little ones to church, the care room is open every week. Children are also encouraged to sit in their special area in the front of the church on the carpet.

Older children who would like to come to church are always welcome. We have activity bags at the back of the church with things to do based on the message of the day.

**DRINK LOCAL
DRINK TAP™**

**March Outreach Focus of the Month:
*Drink Local Drink Tap***

*Creating a world where everyone has access to
safe, clean, sustainable water and sanitation.*

Living on a great lake, we are prone to take clean water for granted. We turn on the faucet and immediately satisfy our most basic human needs: we quench our thirst, clean our bodies and belongings and sustain our gardens.

Clean water is a gift from our Creator that is, at its essence, LIFE. Without it, there is no LIFE. Aside from the air we breathe, it is our most precious resource and despite our local experiences, it is not readily available to world, and we are all at risk of losing this life sustaining force.

DLDT is a team of world water warriors. As an international non-profit organization (based here in Cleveland) focused on solving water equity and quality issues, it realizes its mission through education, advocacy and creating affordable, safe clean water sources and sanitation facilities.

EDUCATION: THE WAVEMAKER PROGRAM

The Wavemaker Program has connected over 18,500 students since 2010 in Northeast Ohio and is expanding state and nationwide. It provides education to 4th through 8th grade children on water stewardship and water equity issues. The Wavemaker Program can be found in the Cleveland Public Schools and many other schools throughout Northeast Ohio and beyond. Because of targeted foundation, family and corporate donations, the Wavemaker Program for 2022 will be free for public schools.

EQUITY

In Greater Cleveland, DLDT advocates for clean, safe, affordable drinking water and sanitation services.

- From Spring through Fall, DLDT volunteers provide clean-ups of area beaches, including Edgewater Beach.
- DLDT is a founding member of the Greater Cleveland Water Equity Partners (GCWEP), which includes utilities, non-profits, community advocates, and organizations working together to advance water equity. It is also “at the table” at international water equity organizations and participates annually in World Water Day.

In Uganda, the other Great Lakes Region of the world, the DLDT team builds and monitors sustainable water, hygiene and sanitation systems in rural Uganda including wells and sanitation stations mostly at rural schools.

**Tuesdays at 5:30 p.m. during Lent;
join us!**

In addition to Sunday worship why not consider gathering on Tuesday evenings at 5:30 p.m. for a said celebration of the Holy Eucharist in the Oratory. This will be followed by a simple supper of soup, salad, and bread which in turn will be followed by a bible study looking at the lessons for the Sunday which follows. If at all possible, please sign up if you plan to attend the simple supper so we know how much food to prepare. And know that you are welcome at all or any part of these offerings on Tuesday evenings.

Episcopal Relief & Development invites Episcopalians and people of all faith backgrounds to reflect on the question “Who is My Neighbor?” this Lent through the 2023 Lenten Meditations.

“The 2023 Lenten Meditations provide an opportunity for supporters to reflect deeply on Jesus’ call to love our neighbors as we love

ourselves,” said Josephine Hicks, Vice President, Episcopal Church Programs, Episcopal Relief & Development. “Everything Episcopal Relief & Development does is inspired by our call to seek and serve Christ in all persons and to respect the dignity of every human being.

The meditations ask us to reflect on what that means in practice.”

In addition to a <http://downloadable> booklet, this year’s meditations will also be available online at <http://episcopalrelief.org/lent>. New meditations will be posted each Sunday and readers will be invited to share their responses to weekly reflection questions related to each theme. As in past years, supporters may also <http://subscribe> to receive daily emails as well.
