Saint Peter's Episcopal Church • Lakewood, Ohio

Volume 59, Number 05 • January 2024

Dear St. Peter's Family,

I greet you with a "Happy New Year!" -- Our first full year of journeying together as parish and priest. Like the Roman god Janus, I look backward and forward simultaneously. Last year was a whirling dervish of change. We moved from Arkansas to Fairview Park; celebrated our New Ministry with our Bishop; welcomed new members to the body of Christ in baptism and prayed our final prayers for long time members at their funeral. It was a good beginning for our spiritual lives together.

January is an important time for beginnings. Our Annual Meeting (the official business meeting of the parish) will be held on the 21st. There we will hear about the ministry we were able to offer to our parishioners and our community. We select new Vestry members and celebrate the accomplishments of those concluding their term. Most importantly we set our agenda for the ministry ahead in 2024. On that day we will have one service at 9:30 a.m. followed by brunch and our meeting together.

I am especially excited for a new teaching series that will carry us through the year. We began 2023 with a book study of "Freeing Jesus," and centered our reflections on the ways Christ leads us in all things we do throughout our life. In the course of teaching, I heard a deep desire for learning about our Bible from a uniquely Episcopal approach. Ours is a literary rather than a literal approach. Reading scripture for literal facts steals the vitality from the story of faith. A literary approach brings a fullness of understanding, a deep encounter with the spiritual. We will begin our study of the 'Story of Scripture' beginning with the Sunday Forum on January 14th at 9:09 a.m. in the Undercroft. The Wednesday 11:00 a.m. class that follows the 10:00 a.m. Eucharist will be a second chance to attend the class. My goal is to work our way through the Old Testament in 2024, and the New Testament in 2025. Drop in at any point to learn a bit more about the faith we share.

I am excited for a full year of ministry ahead with everyone!

With God's Blessings,

Father Mike

WHEN IN OUR MUSIC GOD IS GLORIFIED!

Let every instrument be tuned for praise!
~ Hymn 420

In January we are kicking off our capital campaign to raise the funds necessary to repair and reconstruct our 1959 Holtcamp organ.

No asset of our parish is more central to our ministry, theology and worship as our organ. It supports our Episcopal liturgy, accompanies our wonderful choir and fills our space with the sounds of any season.

The fact that our instrument has lasted as long as it has with minimal maintenance is a true testament to its value and quality. Estimates to replace it exceed \$2,000,000!

But as we have shown you in our organ demonstrations, the instrument now needs significant maintenance. If you have not had the chance to see one of our demonstrations live, please go to www.stpeterslakewood.org and watch the video. As you will see, the organ is showing clear signs of progressive leather failure.

The process to fix it will involve the removal, reconditioning, and reinstallation of many of the organ's pipes. It will take four months and many hours of expertise to complete.

The Vestry has contracted with Schantz Organ Company to complete the work. Schantz is a very reputable company; they recently completed the same reconditioning of the Skinner organ for the Cleveland Orchestra.

A couple of significant improvements will be made to the instrument while it is out for reconditioning. A swell box will be added for more precise volume control and pipes to produce string tones will be added as well.

The contract from Schantz for the repairs, reconditioning, and improvements is for \$560,000.

In addition, we have arranged for a rental organ to use for worship during the months that our organ is away. The cost of that rental is \$10,000.

Adding these together and planning for a contingency of \$80,000 (we all know that any building project encounters unforeseen costs), we have set our capital campaign goal of \$650,000.

We know that this is no small sum, however, this is why we will ask for your help. If everyone who pledges to St. Peter's stewardship campaign was able to give 1.5x their pledge amount, payable over three years, we would have enough to pay for the organ reconstruction. So, if you pledge \$1,000 to the stewardship campaign, please consider a gift of \$1,500 to the capital campaign payable over three years (or \$500 per year).

Gifts can be given either individually or as a memorial to a lost loved one. Following the campaign, a plaque will be posted in the exterior of the pipe room listing everyone who contributed to the campaign and any individual or couple memorial commemoration the donor wishes to make.

Our music program is as important a component to our identity as St. Peter's Episcopal church as we have. Please help us preserve our music for generations to come. Watch for your mailer in January!

~ Mike Bickerton,
Capital Campaign Chair

**January Outreach Focus:
Beating Parkinsons**

Rock It Out is an affiliate of Rock Steady Boxing, which is a national program of physical exercise for individuals who are living with Parkinson's disease. Though it might seem surprising, this non-contact boxing, inspired fitness routine is dramatically improving the ability of people with Parkinson's to live independent lives. Rock Steady Boxing was originally founded in Indianapolis in 2006 by former county prosecutor Scott Newman, who was diagnosed with Parkinson's at age 40. Classes are taught by Certified Personal Trainers and include exercises such as calisthenics, weight training, and non-contact boxing that attacks Parkinson's at its vulnerable neurological points. The Rock it Out affiliate has been in Lakewood for almost ten years, and in addition to the Rock Steady boxing program, it also offers yoga and monthly seminars about topics related to Parkinson's disease. Music
Ministry

As we begin a new year, I would like to take this opportunity to thank our wonderful choir for their excellent musical leadership during the past year.

Singing in the choir at a church with the high musical standards that we enjoy at St Peter's is indeed a huge commitment of both time and effort.

As a retired Episcopal cathedral organist/choirmaster, I never expected to ever again have the pleasure of working with such an excellent and talented choir. What a blessing they are to me and to our parish!

I also wish to thank Father Mike and the Vestry for their unfailing encouragement and support.

Happy New Year!

~ *Bryan T. Mitnaul*, Organist and Choirmaster

Homeless Sleepout...

The Homeless Sleep-Out will be held during the Presidents 'Day long weekend, beginning on Saturday, February 17th at 7 p.m. and concluding on Sunday, February 18th. Participants will need to arrive by 6 p.m. to prep their sleeping arrangements and participate in some general rules and prayer. Please see Michelle Killin Keith for permission slips, rules, and pledge forms. Overnight chaperones/security are needed – two adults for each of the six shifts. Michelle and Larry Keith will be at the event the entire time but they will not be staying up all night. Please consider chaperoning one of these shifts:

7- 9 p.m., 9-11 p.m., 11-1 a.m., 1-3 a.m., 3-5 a.m., 5-7 a.m., or help with the Sunday 7 a.m. clean-up.

On the previous Sunday, February 11th, plan to stay after church for pizzas and planning. We will prepare our box shelters for the homeless sleepout that will take place on the following weekend.

Chancel Guild

The Chancel Guild is a traditional ministry working quietly behind the scenes. Amongst its duties, in the course of preparing the church for worship each week, the Guild ensures that the wine, water, and wafers are ready for the Minister to serve; places candles on the altar; arranges flowers; orders supplies; launders the fair linen; and cares for Communion vessels and altar frontals. The Guild also prepares for religious holidays.

Anyone interested in joining the Chancel Guild or finding out more about this ministry is invited to contact Cathe Step at 216-534-3930.

Offering Envelopes

Offering envelopes for 2024, are on the table at the back of the church. There are still a few packets remaining, so if you did not mark your pledge card indicating you

wanted envelopes, or if you would like 2024 envelopes, please call or e-mail the office at 216-226-1772 or office@stpeterslakewood.org.

Also, remember to **discard** all your old envelopes. Each year many envelope numbers change, making the 2023 and previous years envelopes invalid. Thank you for your assistance and cooperation.

Thank you, thank you!

Sometimes we forget to say the simplest two words...thank you! To everyone who helped last month, during one of the busiest liturgical times of the year, we would like to extend our deepest thanks. To our Chancel Guild, readers, acolytes, crucifers, bell ringers, vergers, and usher, you all have done a tremendous job. Not just this month, but throughout the entire crazy year. We would also like to thank those who assisted with the Christmas Eve drop-in pageant, especially those who helped the kids get into their costumes and to their places. To our Choir, for making the services sound so glorious, and to anyone we've forgotten, thank you for making a daunting task flow very smoothly and seemingly effortlessly! So, once again, thank you very much for your service to St. Peter's; it is greatly appreciated.

Thank You!

Planned Giving Message

Planned Giving

As we finished the season of Advent, the season of hope and anticipation, we anticipated good times for ourselves and our loved ones. Christmas has come and gone, the New Year is upon us, and we are now entering in the season of Epiphany, where all will be revealed. This is a good time to anticipate the future for yourself and your loved ones.

This is a good time to review your financial situation and contemplate making special gifts. If you are concerned about income tax obligations, consider giving appreciated property, such as stock or mutual funds to our church. It is also a good time to review your will or make your first one. Each of us should have a will regardless of how much we have.

Have you met with your attorney and do you have a current viable will?

If you don't have one ... Is it because you don't think you have that much to bother with? Is it because you don't think you are old enough to worry about such things? Or is it something you have been meaning to do and you just haven't done yet.

If you have a will, is it current and does it reflect your present wishes?

Here are the circumstances that make it vital to update your will:

- **You want to name a different executor, trustee, or guardian.**
- **Your assets have significantly increased or decreased in value.**
- **You've moved to another state.**
- **Your situation or beneficiary's situation has changed.** Has your family changed because of marriage, divorce, birth, adoption, or death?

- **You want to include a gift to St. Peter's Episcopal Church and perhaps others in your will.** Consider leaving a percentage of your estate or the balance remaining after bequests are distributed to your loved ones.
- **The estate tax law has changed.**

There are various ways you can make a Legacy Gift. Since 85 % of all Planned Gifts come to through wills, make your will, update your will, and when you do so add a gift, be it a % or a dollar amount to St. Peter's Episcopal Church, Lakewood, Ohio.

St. Peter's welcomes special gifts for endowment, capital needs, and special programs now and always.

Altar Flowers

Worship in our church is an experience of beauty. Every element of the service—the architecture, the altar hangings, the music, the people in the pews, and more—draws us closer to God by inviting us to bring our very best and laying it upon the altar. The flowers that bedeck that altar are an important and beautiful symbol of what we offer to God in our worship.

Altar Flowers have an added dimension to the worship... not only do they create beauty, they are then given to shut-ins, folks celebrating momentous occasions and special events, or just someone who needs a "pick-me-up!"

Every member of the parish is invited to contribute to the beauty of our worship by giving the altar flowers on a particular Sunday to the glory of God and in memory, thanksgiving, or celebration for people or events that are important.

St. Peter's has quite a number of Sundays available throughout the year for you to place flowers at the altar. If you would like to make a gift of altar flowers, you may do so by contacting the office at 216-226-1772. Seasonal flower arrangements are \$60. Call or stop by the office to reserve a date. (*Flowers are not on the altar during the Lenten Season.*) Thank you in advance for your generosity and for contributing to the beauty of our worship.

Meet the Nominees for Vestry

Vestry

The Nominating Committee is pleased to offer these names for consideration and election to the Vestry for a three-year term. At the time of the Net deadline, we are still reaching out to eligible youth for the 1-year youth representative.

KEITH JOCHUM

Keith has been a member of St. Peter's since August 2022. Keith lives in Fairview Park with his wife Monica and their son Fletcher. Keith worked in business and marketing for several years before becoming a stay-at-home dad with Fletcher for five years. He currently

works as a building substitute teacher at Gilles-Sweet Elementary. Keith is an avid bike rider and enjoys being outdoors.

JESSICA REDEL

Jessica Redel joined St. Peter's in spring 2022 after moving to Lakewood from Tampa, FL. Jessica was born and raised just outside of New Haven, CT. She attended The University of Tampa, receiving her Bachelor of Science in Public Health, and Saint Louis University, receiving

her Master of Healthcare Administration.

Jessica has worked for the Department of Veterans Affairs since 2013. She currently works at VA Northeast Ohio Healthcare System as the Health System Specialist to the Chief of Staff. She has been an active member of the Episcopal Church for many years, including serving on the Vestry at St. Mary's Episcopal Church in Tampa, FL for a three-year term from January 2016-December 2018.

Jessica lives in Lakewood with her husband, Jake, and dogs, Ali and Leo. She enjoys reading, catching up on Bravo shows, trying new restaurants, traveling, and is starting training for her second marathon in October 2024.

NAT PENDLETON

Hello, my name is Nat Pendleton. I was baptized and confirmed in the Episcopal Church in Virginia and I have attended St. Peter's since 2015. I currently serve on the St. Peter's Foundation Board

of Supervisors. My professional background is in banking, civil engineering and serving as an officer in the US Army. My current profession is consulting with businesses that purchase bank loans of companies and commercial real estate. My wife Liz and I have a son John (a junior in college) and a daughter Jessica (a sophomore in high school). Liz and John were confirmed at St. Peter's in 2019. My hobbies include attending cross country and track meets to watch my daughter run, enjoying outdoor activities (hiking backpacking, camping, bicycling and fishing), being a leader in a local Boy Scout Troop and watching sports. I look forward to the opportunity of joining the Vestry at St. Peter's and working with its members.

JOHN RICH

It is with humility and anticipation that I put my name forward to serve on the Vestry for the 2024 – 2027 term. If the congregation approves my candidacy, this will be my second time serving on the Vestry at St.

Peter's, having done so previously from 2017 – 2020. For the last of those years, I was selected by the other members to be Junior Warden. This was an exciting time to be part of the leadership team. We were involved in many critical decisions related to the construction of the addition to our existing space, many of which involved ensuring that we were being good stewards of the generous pledges from our parishioners.

My wife, Marci, and I have been members of St. Peter's since we moved back to Ohio from Richmond, VA in 2013. Marci has been involved actively in several areas of the church life, including the leadership of St. Cecilia's Guild for two years.

In January, I will be retiring from more than 50 years of professional life, the last 40 of which I held positions of various levels of management in the commercial insurance industry. I am the father of two sons, one in St. Louis with two of our grandchildren, the other in the Chicago area. My stepson, his wife and our two other grandchildren live in North Ridgeville, five minutes from our home in Avon.

Diocesan Winter Convocation

Just as a single drop of water causes ripples across the water, so are we called to spread the news of God's love and be examples of Jesus in our communities. healthy, effective, and sustainable communities who share the love of Jesus.

Join us at Winter Convocation, **February 2-3**, at Kalahari Convention Center in Sandusky to get a one-day preview of CCD that you can immediately apply in your congregational setting. We strongly encourage you to bring groups from your parish to participate. If you bring six or more adults from your congregation, the Diocese will reimburse half of the adult registration fees. [More information and registration](#) are available on the diocesan website, www.dohio.org.

Welcome, Janine!

My name is Janine Finucane, and I'm very pleased to join the staff at St. Peter's Episcopal Church.

I have lived in the greater Cleveland area my entire life. I live in Westlake with my husband John. We have 3 children

who are all currently in college which makes us new empty nesters. I have a degree in Finance and worked in banking until my children were born. I took a 20-year break to be a stay-at-home mom and was involved with many volunteer activities in the Westlake Schools. I'm excited to take on this new role at St. Peter's, and am looking forward to getting to know the congregation and staff! ~

With 2023 coming to an end, the Generosity Team is happy to report that we are ALMOST to our goal of \$500,000 pledged to support the many activities and expenses of St. Peter's for 2024. It is not too late to submit your financial pledge for the coming year! Pledge cards are available at the back of the church and can be submitted during any church service, or can be mailed or called into the church office.

Additionally, our committee will be meeting in January to plan for activities for the coming year. We'd love to have a few new members join us as we plan for ways that we can support year-round programming for the Generosity Team to involve the whole congregation. ICE In Case of Emergency

An ICE storm is blanketing the U.S.! An “In Case of Emergency” campaign, that is...

Emergencies are prevalent in everyone’s lives and we hope that when we are in need, we have the tools to deal with every emergency and crisis. The importance of having emergency numbers available to first responders is tantamount to having first class treatment and care when you need it.

We all carry our mobile phones with names and numbers stored in its memory but nobody, other than ourselves, knows which of these numbers belong to our closest family or friends. If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn’t know who to call. While there may be hundreds of numbers stored in our phone, which one is the contact person in case of an emergency? When seconds matter, this information may be vital. Hence the “ICE” (In Case of Emergency) Campaign.

The concept of “ICE” is catching on quickly. It is a method of contact during emergency situations. As cell phones are carried by the majority of the population, all you need to do is store the phone number of a contact person/s who should be contacted during emergency under the name “ICE” (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn’t know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose. In an emergency situation, emergency service personnel and hospital staff would be able to quickly contact the right person by simply dialing the number you have stored as “ICE”.

Follow these hints to get the best out of ICE:

1. Make sure the person whose name and number you are giving has agreed to be your ICE partner.

2. Make sure your ICE partner has a list of people they should contact on your behalf - including your place of work.
3. Make sure your ICE person’s number is one that’s easy to contact, for example a home number could be useless in an emergency if the person works full time.
4. Make sure your ICE partner knows about any medical conditions that could affect your emergency treatment - for example allergies or current medication.
5. Make sure if you are under 18, your ICE partner is a parent or guardian authorized to make decision on your behalf - for example if you need a life or death operation.
6. Should you your preferred contact be deaf, then prefix the number with ICETEXT.
7. For more than one contact name, type ICE1, ICE2, ICE3, and so on.

Putting ICE into your phone’s memory doesn’t take much time or effort. It does give you and your loved ones peace of mind. So, as we bring in the New Year, make a resolution that will help you and your family; add ICE to all your mobile phones!

Medical Emergencies

In addition to having ICE (in case of emergency) programmed into your cell phone you should also have an emergency contact sheet posted in your home.

We would like to stress the importance of having an emergency contact sheet for every person in your home. In the unlikely event an injury or medical emergency, the information provided on this sheet will give sufficient information to first responders to more adequately treat you. The sheet should list the phone numbers of your doctor, who to call in an emergency, a list of your medications, a list of allergies, and any medical conditions which may affect your treatment. The contact sheet should be posted in a prominent location, such as your refrigerator or cupboard door.

We have included an Emergency Contact Form in this month’s NET. If you would like this form electronically, please contact the office.

Coffee Hour with Host Families

With great joy, I submit that our pre-covid coffee hour format is BACK!!!

Below are our host families for January and February.

I have tried to get the word out to the parish but just in case you missed it... this is how it works: 4 households will be assigned each Sunday. No one will have to do this more than a couple times each year. We ask that you plan to bring along with you on Sunday a plate of something to put out for coffee hour. Baking is not required but is always welcomed! The items you bring can be as simple as a bag of goldfish crackers, baby carrots and dip, grapes, crackers & cheese, donut holes -you name it. Just bring enough to share with a dozen people. All you have to do is leave the item on the dining room table 20 mins. before church. The verger will take care of putting things out and cleaning up (though you are always welcome to help!) Tom Newman will help out by getting the coffee made. THANK YOU, Tom!

If you cannot cover your assigned Sunday, it would be most helpful if you call someone and switch Sundays or bring it ahead of time and we can hold until your assigned Sunday. You may opt entirely out of the rotation simply by contacting Amanda Chambers 440-669-6352 or amanda60chambers@gmail.com

With much gratitude, *Amanda Chambers*
