Welcome to St. Peter's! If you are attending services, please use the glass door at the rear of the church off the parking lot (where the elevator is located) or the front door to enter the church. If you need any assistance, please see one of the ushers or Tom Newman, St. Peter's sexton.

Parents, if you wish to bring little ones to church, the care room is open every week. Children are also encouraged to sit in their special area in the front of the church on the carpet. Older children who would like to come to church are always welcome. We have activity bags at the back of the church with things to do based on the message of the day.

### June Outreach Focus of the Month

**ALS**  
**ASSOCIATION**

Loose cash and coins put in the offering plates this month will benefit our June Outreach partner — the ALS Association. Amyotrophic Lateral Sclerosis, more commonly known as Lou Gehrig's Disease, was responsible for the tragic deaths of two of our beloved parishioners, Jack Bauer (husband of Cherie Bauer) and Harold Babbit (husband of Jan Babbit). Both men were diagnosed in the prime of their life with this incurable disease and are missed terribly to this day.

ALS is a terminal neurodegenerative disorder that results in the progressive loss of both upper and lower motor neurons that normally control voluntary muscle contractions. It presents with muscle stiffness, twitches, or

weakness in its early stages and progresses to having the inability to eat, speak, move, and breathe. There is no known cause for ALS, and there is no cure; treatments for the disease simply help to slow progression and improve symptoms. Although ALS can affect people of any age, it typically strikes between the ages of 40 and 70 and targets males more often than females. Survival after diagnosis is often only two to four years.

The ALS Association is the only national non-profit organization fighting ALS, and it leads the way in research, care services, public education, and public policy. The association strives to provide hope and empowerment to those afflicted with this disease.

If you visit the ALS Association site on the internet, the first words you encounter are “compassion, integrity, and urgency.” These words seem very appropriate after witnessing the progression of the disease with Jack and Harold. Our hope for the St. Peter’s family is that you give generously to this organization to put an end to this tragic affliction.

### St. Peter’s Missioners Were in West Virginia Last Week

Last Sunday, June 16, following a commissioning and blessing from Rev. Mike Lager at the 10 o’clock service, 13 youth missioners and their adult chaperones left in a five-car caravan for Appalachia, on a mission trip sponsored by Brothers’ Keeper. While there, they worked long hours in construction, making a difference in the lives of people living in Jackson County, West Virginia. More information about youth mission trips at St. Peter’s can be found in issues of the Fisherman’s Net.

## Shake-It-Up Summer Sunday School is Ongoing at St. Peter's

Summer Sunday School — aka the “Shake-it-Up Café — is ongoing through the end of August. The premise of the program is ingenious: children explore the Bible as a cookbook filled with recipes for living out God’s World. By celebrating biblical festivals, they will discover secret ingredients that will help them follow God. The shake It Up Café is for pre-K children through fifth grade; youth in middle school and high school also attend as mentors, leading some of the lessons.

*Note: Due to the Fourth of July and Labor Day holiday weekends, Summer Sunday School will not be offered on July 7 and September 1. Instead, we encourage you to use these dates as an excellent opportunity to worship together as a family. And please read further in this edition of “What’s Happening” for registration information about Vacation Bible School.*

## Lakewood Arts Festival: We Need Your Fake Flowers!

St. Peter’s is participating in the Lakewood Arts Festival, scheduled for **Saturday, August 3**. Those of you who have participated in the past know that we have become famous for our CHURCH LADY HATS! While these hats are always a big hit, it takes literally *hundreds* of fake flowers to make them, and so we again ask all of you to donate the flowers and similar ornamentation from arrangements that you no longer use or display.

Please bring your old flowers (or maybe new ones you picked up at Jo-Ann’s or Michael’s) to church anytime between now and August 1 and we will put them to good use! Look for the specially-marked box in the rear-entry vestibule, across from the St. Luke’s donation bin. For questions, please see Liz Crosby.

## Quarterly Contribution Statements

Statements showing combined first and second quarter contributions — which is to say *all* contributions made through the end of the second quarter of 2024 — will be sent out to parishioners this month. If you have any questions, please call Janine Finucane, the church office bookkeeper, 216-226-1772, or email her at [finance@stpeterslakewood.org](mailto:finance@stpeterslakewood.org).

### **Interested in a Trip to the African-American Museum in D.C.?**

Michelle Killin-Keith is trying to gauge the interest of parishioners and families in traveling to Washington, D.C. to tour the National Museum of African American History and Culture, part of the Smithsonian Institution. The trip would take place on NEOEA Day (North Eastern Ohio Education Association) in October. Please see Michelle for details and let her know if you're interested.
