

June 2026

Dear Pilgrim,

Thank you for considering a pilgrimage trip to England with Spirited Pilgrimages and Fr. Mike Lager. We have two itineraries planned for 2027. You are invited to select the one you feel most speaks to your spirituality and your travel needs.

The first trip is an **ANGLICAN IDENTITY AND HERITAGE** trip from June 13-20, 2027 and will visit sites found in London, Canterbury, Salisbury, Winchester, and Oxford. Please see the full itinerary in the information booklet.

To reserve your spot, you will need to 1) fill out the reservation form provided by Spirited Travel, 2) include a copy of your Passport and your 3) deposit check made out to "Spirited Travel" and mail them USPS to the Spirited Travel address provided. The costs and registration dates for each trip is included in the informational booklet.

Below are some answers to the **FAQ's**:

- **Is my airfare included in the cost?** No. Because many want to "add" days on either side of the pilgrimage, or have travel-miles to use, each person will be responsible for booking their own flights.
- **Do I need to get travel insurance?** Highly recommended! You will want a Travel Insurance policy that includes overseas medical insurance. Please review your policies to know your coverage.
- **How are the logistics of travel being handled?** Spirited Pilgrimage (www.spiritedpilgrimages.com), led by the Rev. Keith Marsh, is handling travel planning, logistics and finances. International Tours of the U.K. is the ground agent in England.
- **What is the spiritual programming for the pilgrimage?** Each day Morning Prayer will be led by Fr. Mike and will include educational insights for the places and saints we will encounter that day. We conclude our days at a select Cathedral for their Evening Prayer service (normally a sung service). Tour guides and docents will bring insights to the places we tour.

I'm delighted to be your traveling companion.

The Rev. Mike Lager
